**New This Year!!  
Golf Team Request**

A traveling trophy will be presented to the winning team of this year’s tournament, bringing bragging rights with it! This year, we are allowing players to choose their teams. If desired, you may indicate up to 3 people to be paired with in the golf tournament. All foursomes should include at least 1 vendor, but may contain up to 4 vendors. If you are from a URTA member company and you don’t identify a vendor on the form below, we will assign one or more vendors to your team. If you do not have a preferred team, you will still be placed on a team. Don’t let this intimidate you from signing up. There will also be rules in place to balance out the competition. So, golfers of all skill level are encouraged to register. But make no mistake, 4 champions will be made!
